Gentleman please see the attached letter. The letter is attached with the onsite IEPA BOL/FOS sample results and supporting documents. I also included a color pdf of the supporting documents that are in color. Cory, I had already addressed the letter to Joe, sorry about that. I'll note for next time that you are the POC. Let me know if you have questions. Hard copy is in the Mail. Thanks

Good morning Joe. I want to send you your sample results and sample location map from IEPA BOL/FOS Rockford. We collected waste and wipe samples at 2 locations on-site. Should I address the letter to you? Also, can you please look at the table below and see if IEPA BOL has the Owner and Operator Information correct. If not, can you please correct the tables and email back to me with your reply. Thanks!
